

Storage for today's
Infrastructure

A Track Record of Disruptive Storage Innovation

A Leading Enterprise Storage Innovator

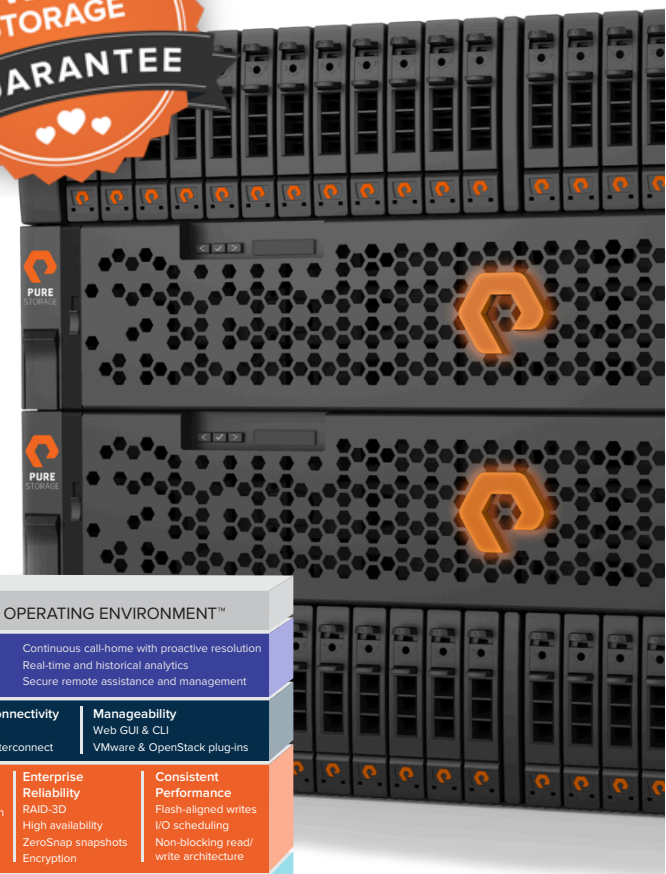

- Standout growth: **700% YOY** and 50% sequential quarterly
- 1,000+ FlashArray units shipped
- Deployments from 10TB to **>1 PB**
- **100+** Patents in process
- Innovative programs:
Love Your Storage Guarantee and Forever Flash
- Best-in-class technical support: **NPS of 76**

Built for Long-Term Independence

- Operations in **15+** countries, across 4 continents
- Global team of **550+**
- 200+ tier one channel partners
- World-class executive management team committed to building the next great, *independent* storage company
- \$470M total capital raised from tier one public and private market investors (+ Wellington, Fidelity)

**FOREVER
FLASH**

Purity OPERATING ENVIRONMENT™		
CloudAssist Support	Continuous call-home with proactive resolution Real-time and historical analytics Secure remote assistance and management
